

Welcome to Sports + Orthopedic Leaders (SOL) Physical Therapy + Performance Training *Move Beyond Pain + Move For Life*

Thank you for choosing SOL as your provider for rehabilitation, wellness, and fitness services. Our entire staff is committed to serving you and making your rehabilitation experience enjoyable and successful. *Please take a few minutes to read this information so that you can become familiar with our practice.*

Mission Statement

SOL Physical Therapy + Performance Training is committed to excellence in the provision of physical therapy, wellness, and fitness services that enable our clients to move beyond pain and move for life. Through professionalism, caring, realistic and responsive goal-setting, individualization of programming, and focus on results, our physical therapy and fitness services models are designed to be both cost effective and functionally effective.

CONDITIONS & CONSENT FOR PHYSICAL THERAPY

This page must be read and signed before we can see you for physical therapy services.

Informed consent for treatment:

The term "informed consent" means that the potential risks, benefits, and alternatives of physical therapy treatment have been explained to me. The therapist provides a wide range of services and I understand that I will receive information at the initial visit concerning the treatment and options available for my condition.

Please read below for an explanation of potential risks, potential benefits, and alternatives to treatment:

Potential benefits may include an improvement in my symptoms and an increase in my ability to perform my daily activities. I may experience increased strength, awareness, flexibility and endurance in my movements. I may experience decreased pain and discomfort. I should gain a greater knowledge about managing my condition and the resources available to me.

Potential risks: I understand I may experience an increase in my current level of pain or discomfort, or an aggravation of my existing injury. This discomfort is usually temporary; if it does not subside in 24 hours, I agree to contact my physical therapist.

No warranty: I understand that my physical therapist at SOLPT, Inc. cannot make any promises or guarantees regarding a cure for or improvement in my condition. I understand that my physical therapist will share with me her opinions regarding potential results of physical therapy treatment for my condition and will discuss treatment options with me before I consent to treatment.

Alternatives: If I do not wish to participate in the therapy program, I will discuss my medical, surgical or pharmacological alternatives with my physician or primary care provider.

I have read the above information and I consent to physical therapy evaluation and treatment. By signing below, I acknowledge that I have read, understood and will abide by the conditions and policies noted on this consent form.

HIPPA Regulations and Privacy Practices

Privacy Practices

The privacy of your medical information is important to us. We understand that your medical information is personal and we are committed to protecting it. This notice will tell you about the ways we may use and share medical information about you. We also describe your rights and certain duties we have regarding the use and disclosure of medical information.

Our Legal Duty

The law requires us to: 1) Keep your medical information private. 2) Give you notice describing our legal duties and privacy practices. 3) Notify you of any changes in our privacy practices. This is listed on our Web site: www.solpt.com.

Use and Disclosure

To follow are different ways that we are permitted to use and disclose medical information. We will not use or disclose any medical information not listed without specific written authorization from you.

Treatment: We may use medical information about you to provide you with medical treatment or other services related to your care. We may disclose medical information about you to doctors, nurses, technicians or other people involved in your care. We may also share medical information about you to *your* other health care providers to assist them in treating you.

Payment: We may use and disclose your medical information for payment purposes. A bill may be sent to you or a third party payer (i.e., insurance company, attorney, consulting physician). We may also disclose information to your health plan about treatment or possible treatment to help determine if your health plan will pay for certain services.

If you have any question about any of our policies or your rights, please feel free to speak with your physical therapist or any of our staff.

Release of Medical Information and Assignment of Benefits; Acknowledgement of Understanding

By signing below, I am verifying that the following are true:

- I authorize the release of medical information necessary for filing health insurance claims for me by SÖLPT.
- I authorize my insurance carrier(s) to make payment directly to SÖL Physical Therapy.
- I have read, understand, and agree to use of my information as listed above.

Explanation of Procedures

Physical Therapy is defined as: “The evaluation, treatment or prevention of disability, injury, disease or other condition of health using physical, chemical and mechanical means including, but not limited to, heat, cold, light, air, water, sound, electricity, massage, mobilization and therapeutic exercise...”

Here is the explanation of some of the Physical Therapy procedures and modalities that you may receive during your course of treatment with us. Please make sure that if you have any questions you ask your Physical Therapist to answer them to your satisfaction.

- **PHYSICAL THERAPY EVALUATION (97001):** This includes taking comprehensive history, systems review, and tests and measurements. The PT will formulate an assessment, prognosis and note anticipated intervention.
- **PHYSICAL THERAPY RE-EVALUATION (97002):** The PT examines the patient and updates goals and treatment plan.
- **THERAPEUTIC EXERCISE (97110):** Therapeutic exercises to develop strength and endurance, range of motion and flexibility.
- **NEUROMUSCULAR RE-EDUCATION (97112):** Neuromuscular reeducation of movement, balance, coordination, kinesthetic sense, posture and proprioception.
- **MANUAL THERAPY (97140):** Manual therapy techniques may include mobilization, manipulation, manual lymphatic drainage, manual traction, soft tissue mobilization.
- **THERAPEUTIC ACTIVITIES (97530):** Use of dynamic activities to improve functional performance (activities such as bending, lifting, carrying, reaching, etc. and have as a goal to improve your functional performance in a progressive manner).
- **ELECTRICAL STIMULATION (97014) & ULTRASOUND (97035):** These are physical agents, used in conjunction with the other treatments to reduce pain, inflammation, etc.
- **GAIT TRAINING (97116):** Gait training activities including stair climbing.
- **SELF CARE, HOME MANAGEMENT TRAINING/ADL TRAINING, SAFETY PROCEDURES ETC. (97535)**
- **COLD LASER (99999):** Specifically, cold laser therapy: Modality used for pain relief, increased cell metabolism, and neuromuscular reeducation.
- **STRAPPING (KNEE – 29530, SHOULDER – 29240) OR TAPING (A4452):** Strapping or taping of a specific body part for stability.

By signing below, I acknowledge that I understand I may receive a number of the above listed services, and that I may ask my therapist any questions I have at any time to fully understand what these modalities entail.

Direct Access Treatment Services Disclosure

Under California law, persons seeking insurance coverage for physical therapy may access physical therapy services provided by a licensed physical therapist *without* a physician’s referral for 12 visits or 45 days (whichever occurs first).

Please Note: Despite this law, many insurance companies require proof of medical necessity to justify coverage.

To continue receiving coverage for services after the initial Direct Access period you must:

- Obtain a prescription/referral from a California board certified physician, surgeon, orthopedist, or podiatrist acting within the scope of their practice.
- The prescription/referral must be signed by the practitioner and dated before your first visit following the expiration of the initial treatment period.
- Upon receipt of the referral, and with your permission, your physical therapist will inform your referring practitioner that they are managing your rehabilitation.

By signing below, you acknowledge that you have read the above information.

SÖLPT Essential Information and Office Policies

Summary: The following pages will orient you to insurance information, payment information, and office policies that will help make your treatment experience at SOL as seamless as possible.

Your signature will be required on Page 8 to establish that you’ve read and understand everything explained.

A Note on Physical Therapy

Many people seek physical therapy for declining function, postsurgical issues, acute injury/trauma, chronic disease or condition, deconditioning, complex pain, stress overload, repetitive overuse injuries and more. Physical therapy treatment involves mobility planning/skilled interventions, and is based on movement impairment models. Goals are established at the time of examination, will relate to improving one's physical functioning, and will be modified based on limitations, real-life considerations, and individual progress.

Fax Number	510.923.1944	510.923.1944	925.952.9568

Appointments

Office hours are by appointment only. We respect your personal schedules and make every effort to accommodate your special scheduling needs. To change appointments, we require 24 hours’ notice. (Please see cancellation policy.)

Attire – What to wear to physical therapy.

Please wear loose, comfortable clothing to your visits. Clothing that can be easily moved aside to access the affected area or injury, and clothing that you can move in is best. (Think loose workout clothes.)

Amenities

Lockers

While SOL does not take any responsibility for the safekeeping of your personal belongings, we do offer lockers and locks/keys at both the 4341 and 3900 piedmont avenue locations. If you choose to place your belongings in lockers, you are required to obtain a lock/key from the front desk staff (please do not just place items in the lockers without obtaining a lock or key).

Parking

There are parking spaces available for your use at all three of our East Bay locations.

- **4341 Piedmont:** The first 6 spaces on your right as you enter the parking lot are labeled for SOL and available for your use.
 - **PLEASE NOTE:** If you park in any spots not labeled “SOL” in the parking lot, the other business will mark your car for ticketing or towing. SOL is not responsible for any associated costs if this occurs.
- **3900 Piedmont:** There are 6 spaces behind the building for your use.
- **Walnut Creek:** You are welcome to park in any of the spaces to your left as you enter the parking lot.

SOLPT Essential Information and Office Policies, Cont.

Insurance Information

Preferred Provider – Will you be billing my insurance for me?

SOLPT bills directly to insurance for patients with Medicare Part B, Certain PPOs, Workers' Compensation, and Auto Insurance. We do not bill for most out-of-network PPOs, and do not accept liens against pending litigation settlements. *For detailed information about insurance, please visit the "Fees and Insurance" page on www.solpt.com.*

How Coverage Works - Is insurance for physical therapy the same as coverage for my medical visits?

In a word? No. We will be straightforward in saying that physical therapy coverage is often confusing. While we do our very best to keep you informed, **ultimately, it is your responsibility as a patient to understand your coverage.** With that being said, here are a few key things to keep in mind when it comes to insurance coverage for physical therapy services:

- **Physical therapy is billed based on amount and type of services you receive at each session.**
 - Because the cost for these services varies, we cannot tell you exactly what coverage your plan will offer.
 - **However, we will verify your coverage** and inform you of approximate coverage for services.
 - Our billing department is always happy to answer any questions you have about your coverage.

- **You may be responsible for co-insurances, copays, or deductible payments at each visit.**
 - These fees may be completely different than what you pay for medical visits.
 - These fees are due at time of service.

- **You may be responsible for additional costs after we bill your visit to insurance.**
 - We provide services based on efficacy, **not** based on whether or not we think insurance will reimburse.
 - For services we know are not customarily covered by insurance, we will ask your permission to proceed.
 - We will prepare and submit your claim to insurance to give it the best possible chance of being covered.
 - You are responsible for payment of any part of the bill that insurance:
 - Doesn't deem medically necessary (even with physician recommendation).
 - The remaining percentage if your insurance coverage only agrees to pay a customary percentage.

How Coverage Works - Will insurance cover my entire course of rehabilitation?

Coverage varies widely from person to person and plan to plan. Some insurance plans have a strict visit limit or dollar limit, others will cover you so long as medical necessity for care is continuously established, and others will stop covering your care once pain relief has been established (even if you have not yet met your functional goals).

When your therapist believes you have obtained your functional goals and improved functional status related to activities of daily living, you plateau with progress, or the stipulations set forth by your insurance are met, medical insurance no longer applies.

Updated Authorization - Can I apply for more visits beyond what was recommended in the first referral?

Throughout the course of your care, your physical therapist will be in close communication with the physician who referred you to SOL for care. If your physical therapist feels you need more visits, they will write a progress note, which will then be faxed to your doctor. If your doctor authorizes more visits, and confirms medical necessity, your insurance may cover more visits.

IMPORTANT NOTE: Most physicians require that you see them in person throughout your course of physical therapy *before* they will authorize more visits. **PLEASE SCHEDULE A FOLLOW-UP WITH YOUR PHYSICIAN TODAY.** It will ensure that, should you need more visits, you can receive care without interruption.

Updated Prescriptions or Referrals – What happens if I don't come in for more than 30 days? What if my referral was written a long time ago?

For insurance to cover your sessions there must be documentation for medical necessity that has date that within 30 days of your first or last service. If your prescription or referral is more than 30 days old *before* your first visit or if you have a lapse in care of 30 days or more, **it is your responsibility to get an updated prescription from your doctor.**

SOLPT Essential Information and Office Policies, Cont.

What happens when coverage runs out?

If you still feel that you have functional goals to meet, we are happy to continue your course of care on a cash basis. You will continue to receive the high quality care to which you've become accustomed, and can continue working with your physical therapist to achieve your functional goals.

Financial Payment Arrangements

It is our policy in this office to maintain your account on a current basis. **Charges for treatment are due at the time the service is provided unless we are preferred providers of your insurance plan.** We ask that you make co-payments, co-insurance and deductibles at the time of each visit. Your balance must be paid in full on or before the 1st day of the following month, and any unpaid balance will be considered past due on the 5th of the month. An interest charge of 1% per month may be applied to all past due balances.

Voluntary Termination of Care

It is also the policy of this office that if you should choose to suspend or terminate your care and treatment, any outstanding fees for professional services rendered to you will be immediately due and payable.

Acknowledgement of Responsibility and Understanding

Please Initial All Sections to Indicate Understanding of Responsibilities

Physical Therapy/Amenities

It is the patients' responsibility to:

- Wear loose, comfortable clothing they can move in to sessions.
- Obtain locks and keys, should they wish to use the lockers.
- Park ONLY in spaces designated for SOL clients at the 4341 Piedmont Avenue Location

Initials 

Insurance Coverage

It is the patient's responsibility to:

- Understand their insurance policy, and to ask questions when they don't.
- Obtain a referral indicating medical necessity for physical therapy services.
- Pay co-pays, co-insurances, and/or deductibles at time of service.
- Promptly pay any patient responsibility indicated by their insurance carrier.
- Contact their insurance carrier when claims have not been paid.
- Obtain updated referrals or prescription for physical therapy when there has been more than a 30 day lapse in care *or* when their referral is dated more than 30 days previous to their 1st visit.

Initials 

Financial Responsibility

- It is the patient's responsibility to pay for any balances due in a timely manner for services rendered, *regardless* of insurance claims status.

Initials 

SOL's Responsibilities

It is SOL Physical Therapy's responsibility:

- To provide quality medical care.
- To file insurance claims as a courtesy to the patient to insurances specifically delineated on the "Fees and Insurance" page of www.solpt.com.
- To provide a super bill for submission to insurance if we are not part of insurance network.
- To answer all patient question about payment and insurance coverage to the best of our ability.

Initials 

By signing below, I acknowledge that I have read, understand, and agree to all policies and responsibilities set forth in the pages entitled "SOLPT Essential Information and Office Policies."

Date

Commitment to Physical Therapy Late, No-Show, Reschedule, and Cancellation Policies

Your adherence to the recommended number of treatments is a vital component of your progress with our services; therefore we feel it is our duty to do everything within our power to emphasize the importance of your commitment. The following policies are in place to motivate commitment.

Commit to Your Appointments

- With the exception of serious emergencies your recovery depends upon attending all your appointments.
- If you need to reschedule or cancel, it is in your best interest to reschedule the missed appointment to a date as close to the cancelled or rescheduled visit as possible.
- **Please Note:** In instances of repeated non-compliance with your scheduled visits, we reserve the right to discontinue care. We will inform your physician of the fact that your service has been discontinued due to non-compliance with the prescribed rehabilitation order.

Late Policies

- If you are less than 15 minutes late and have contacted SOL to warn us that you'll be late, you may complete the remaining time scheduled for your session, **knowing that you will not receive a full session.**
- If you are more than 15 minutes late and have not contacted SOL, we hold the right to consider your appointment a "No-Show." As per the no-show policy, we reserve the right to charge you a \$65 fee.

No-Show Policy

- If you schedule an appointment and do not come to your appointment, or if you arrive more than 15 minutes late to a scheduled appointment, we reserve the right to charge you \$65 no-show fee.
- **Reminder Calls:** While we offer automated reminder calls as a courtesy, ultimately, the responsibility for remembering your appointments is YOURS. **If reminder calls do not go out, and you do not show up for your appointment, you will still be charged the \$65 no-show fee.**

Cancellation Policies

- If you need to reschedule a session, you are more than welcome to do so, as long as you **provide more than 24 hours' notice before your scheduled appointment.**
- **Late Cancel:** If you cancel within 24 hours of your appointment this is considered a Late Cancellation and we reserve the right to charge you a \$65 cancellation fee.

Reschedule Policies

- If you need to cancel a session, you are more than welcome to do so, as long as you **provide more than 24 hours' notice before your scheduled appointment.**
- **Late Reschedule:** If you try to reschedule an appointment within 24 hours of your appointment this is considered a Late Reschedule and we reserve the right to charge you a \$65 cancellation fee unless:
 - You reschedule your appointment to later the same day (if there is time available). **OR**
 - We are able to fill your vacated slot with another client.

Paying Cancellation/No-Show Fees

- Cancellation and No-Show fees are not billable to any form of insurance.
- To resume treatment following a late cancel, late reschedule, or no-show, the \$65 fee will be due before your next visit. If you refuse to pay the fee, we reserve the right to turn your care back to your referring physician.

We truly do not want to have to charge you for sessions you did not attend. These policies are in place because we've found that they encourage patient compliance to their rehabilitation goals (not because we want to profit from your lack of compliance). Thank you for your understanding and participation.

By signing below, you acknowledge that you have read, understand, and agree to all the policies listed above.
